

Song of Hope

FUMC Music Ministry 2008-09

Our Music Ministry seeks to proclaim the Gospel: within our church through worship and concerts; and in our community and world by visiting healthcare and correctional facilities, other churches and ministries, festivals, and public venues.

Our choirs offer musical and spiritual growth, and great fellowship for all ages! There is a place for YOU. We seek to work within the many ministries of FUMC, and to serve our church's mission to "Follow Jesus, Make Disciples, and Transform the World."

Come share your gifts! Come be a part of the **Song of Hope** this year.
